INTRODUCTION

The purpose of this application form is for us to find out who you are and to obtain information relevant to the cover provided by the Esurance™ TECH policy. Completion of this application form does not oblige either party to enter into a contract of insurance.

It also means that you must tell us about all facts and matters which may be relevant to our consideration of your application for insurance. Any failure by you in this regard may entitle us to treat this insurance as if it never existed. If a contract of insurance is agreed between you and us this application form will form the basis of the contract.
