

Oil & gas

Product brochure

United States

Overview

Oil and gas contractors, including a wide range of specialist professions within this extraction industry who may occasionally get their hands dirty, face a unique combination of risks that many traditional insurance policies do not adequately address. This is where our product comes in. This comprehensive policy provides oil and gas contractors who spend less than 20% of their time doing manual work with all their major insurances in one, simple package. We offer worldwide jurisdiction as standard.

About CFC

CFC is a specialist insurance provider and a pioneer in emerging risk. With a track record of disrupting inefficient insurance markets, CFC uses proprietary technology to deliver high-quality products to market faster than the competition while making it easier for brokers to do business. Our broad range of commercial insurance products are purpose-built for today's risks, and we aim to give our customers everything they need in one, easy-to-understand policy.

Headquartered in London and backed by Lloyd's, CFC serves more than 60,000 businesses in over 75 countries. Learn more at cfcunderwriting.com and [LinkedIn](https://www.linkedin.com/company/cfcunderwriting).

Coverage highlights

Business interruption

Not only does our policy cover the costs associated with the immediate loss of business income following a disruption, but we can also pay for the extra expense and continuing payroll costs associated with keeping your business running. Our policy typically covers a period of 12 months but can be tailored to specific circumstances.

Property damage

Our policy includes cover for damages to premises, contents, computers and stock located in the workplace as well as laptops and mobile equipment away from the premises including whilst on site.

Commercial general liability

Our policy includes commercial general liability on an occurrence form including products and completed operations, tenants' legal liability, non-owned and hired automotive costs and medical expenses.

Comprehensive errors & omissions cover

Full errors and omissions cover including breach of contract, libel, slander and defamation, loss of documents and the payment of withheld fees. Full bodily injury and property damage arising from a professional service is also covered as standard.

Full pollution liability

This feature covers both sudden and accidental pollution, and insures for bodily injury and property damage as a direct result pollution or contamination.

Offshore exposure

We can consider offshore exposure of up to 25% of the overall operations of a company. This allows businesses to diversify their operations without securing separate cover.

Exceptional service levels

Obtaining cover can be a lengthy and time-consuming process. Our experienced team, however, are able to quote and bind policies instantaneously as long as we have all the information we need.

Easy-to-understand policy

No one wants to read 100 pages of incoherent insurance jargon. That's why our policy wording is clear and concise, so you know exactly what's covered. Although it is less than 10 pages long, you can rest assured that it offers some of the broadest and most robust cover on the market.

Appetite

What we love

Upstream consultants:

- Company men
- Completion consultants
- Drilling consultants
- Geologists
- Health and safety consultants
- Mud loggers
- Supervisors

What we consider

Midstream consultants:

- Non-destructive testers,
- Welding inspectors,
- Consultants who work on manual tasks for up to 20% of their role

Downstream consultants:

- Consultants working at the petrochemical plants or refinery

What we ordinarily decline

- Geologists performing reserve estimation
- Land leasing consultants

Coverage is subject to underwriting and the terms, conditions, and limits of the issued policy.
