Free risk management services included with every policy

We've teamed up with specialist providers from around the globe to offer you a wide range of best of breed risk management services, tailored for technology companies. Should you choose to place your policy with us, you'll benefit from the following at no additional cost:

Legal contract publishing tool

We have teamed with LawDepot to provide you access to a publishing tool which will empower you to generate custom legal documents, contracts and forms.

Contract best practices guidebook

Our easy to read guidance sheet will help you negotiate your way through the legal minefield of contracts in the tech industry.

Cyber risk rating report

BitSight will provide you with a comprehensive security risk rating report by reviewing key features relating to your company's internet presence. Your security rating is similar to a consumer credit score and allows you to benchmark yourself against peers and competitors.

CFC breach alert

The CFC RepKnight breach monitoring service continually searches the dark web for information specific to your organisation and alerts you in real-time to possible breaches of your data. This proactive approach helps you minimise the fallout from a variety of cyber incidents.

Cyber incident response plan builder

Our unique toolkit brings together a wide range of templates and practical experience to help you produce a tailored incident response plan in case the worst happens. By building a robust plan you can effectively reduce the impact of a cyber event and ensure all appropriate parties are engaged at the right time and in the right way.

Cyber risk awareness training

This phishing-focused eLearning tool helps protect you from social engineering attacks, one of the major attack vectors faced by mid-sized companies today. With support for unlimited users and campaigns, this tool provides you with a great way to test your users and prepare them for inevitable phishing campaigns.

Cyber awareness videos

We will provide you with up to 25 complimentary annual licenses for NINJIO's fun and engaging cyber security awareness videos. After a short onboarding process, you will have immediate access to NINJIO's growing library of 35+ videos. A new episode is released every 30 days focusing on breaches straight from the headlines.
