

Why choose CFC's professional liability?

Our comprehensive products take into account the wide range of exposures faced by American professional services businesses while filling in gaps in cover left by traditional policies.

Broad, packaged cover

Market-leading PL with everything you need – including bodily injury and breach of contract as standard – in one easy-to-understand policy. General liability, property and cyber are often purchased in addition.

Same-day quote turn around

We'll get back to you ASAP. In fact, we respond to over 90% of new business enquiries in 24-hours or less

Preferred rate for cyber

Place your professional indemnity policy with us and access our standalone cyber insurance policy for 20% less

What we really like

- Small & medium enterprises with **revenues up to \$100m**
- Start-up businesses
- Weird & wonderful miscellaneous risks
- Independent contractors with minimum premiums starting at \$500

We offer bespoke products for Architects, Design & Construction, Engineers, Staffing Agencies & Professionals

What we DON'T write: Lawyers, Financial Advisers, Real Estate Developers, Structural & Geotechnical Engineers

Check out some of the recent risks we've written:
